Sunnyslope — Japanese Introductions for 1958

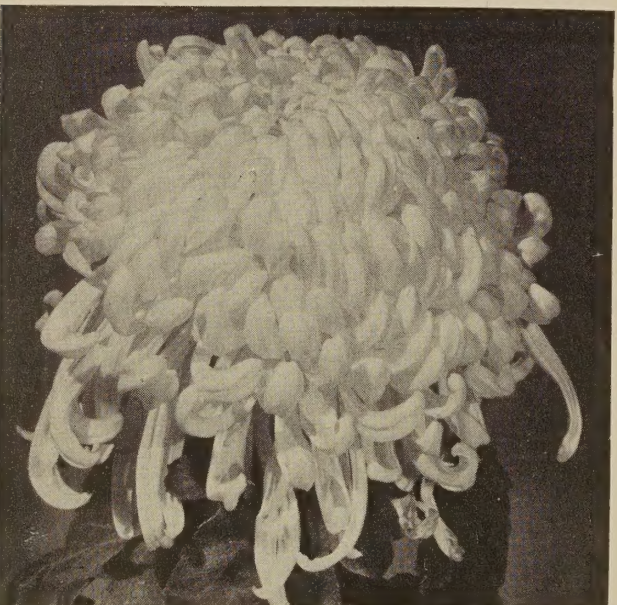

SUNNYSLOPE GRANDEUR (No. 850). An outstanding purest white. Tremendous in size and a healthy grower. October 15. Price \$1.50 each, 3 for \$4.00.

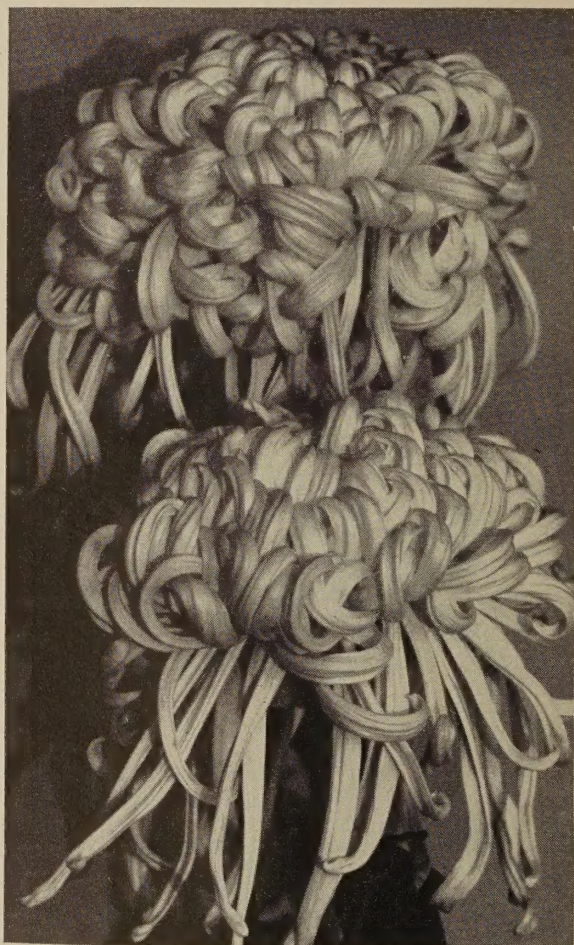

TAIHO BIZAN (No. 852). Recognized by exhibitors in Japan as being the largest flowering variety in existence, its debut in this country undoubtedly will be welcome by every show exhibitor. The record in Japan being 33 C.M. in diameter. Color is a pleasing shade of rosy purple on the inside and lighter reverse. October 25. Price: \$2.50 each.

TAKACHIHO (No. 853). Richest golden yellow maturing about October 10. The shape of its flower plus its rigid stem is really a dream! Price: \$1.00 each, 3 for \$2.75.

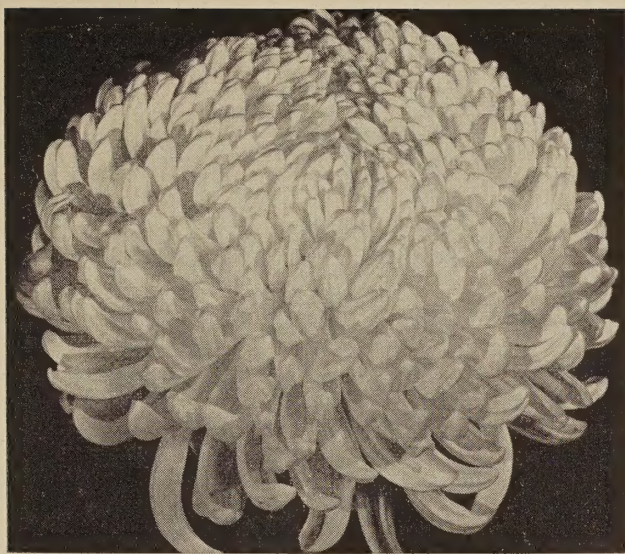

MT. WHITNEY (No. 841). A true exhibition flower of tremendous size. This rare mum was obtained from an amateur breeder at Japan. Pure white. Matures November 1. Price: \$1.00 each, 3 for \$2.75.

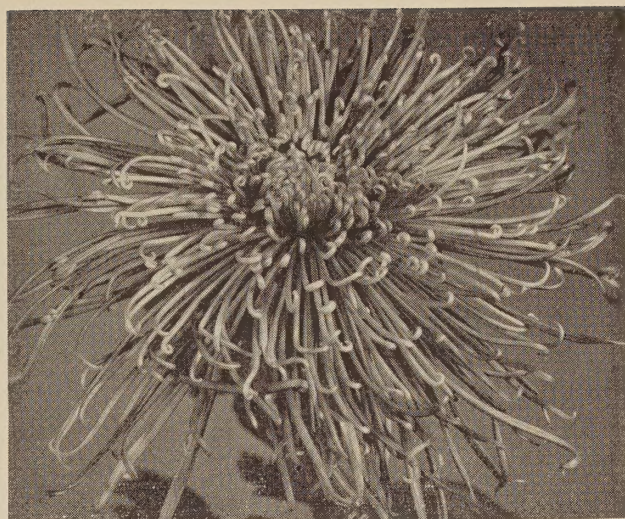

TORYUMON (No. 855). Top. Full centered pink flower of an unusually rare size. November 1. Price: \$1.00 each, 3 for \$2.75.

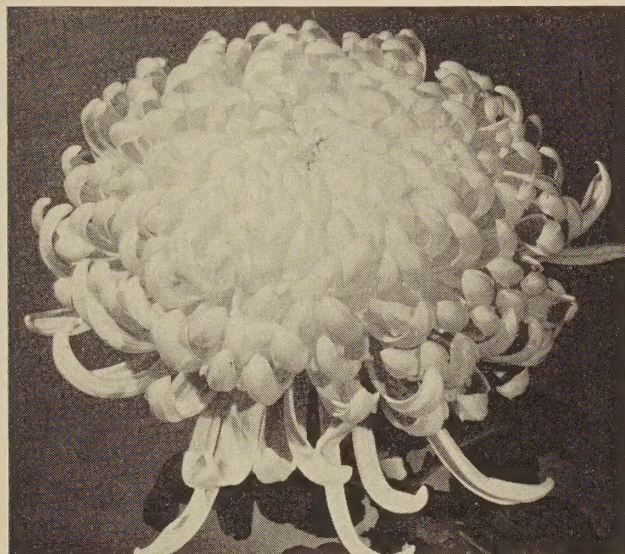

KURUIJISHI (No. 838). Bottom. Most pleasing shade of soft primrose yellow. Very outstanding. October 25. Price: \$1.00 each, 3 for \$2.75.

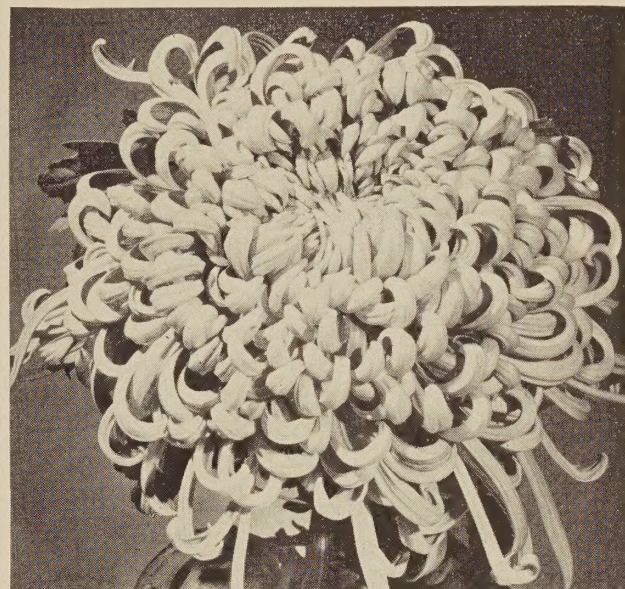

YAMATO (No. 857). A good pink variety is extremely difficult to find in chrysanthemums. We feel that we have found in this variety a pink that is neither lavender nor rose tones. October 15. Price: \$1.00 each, 3 for \$2.75.

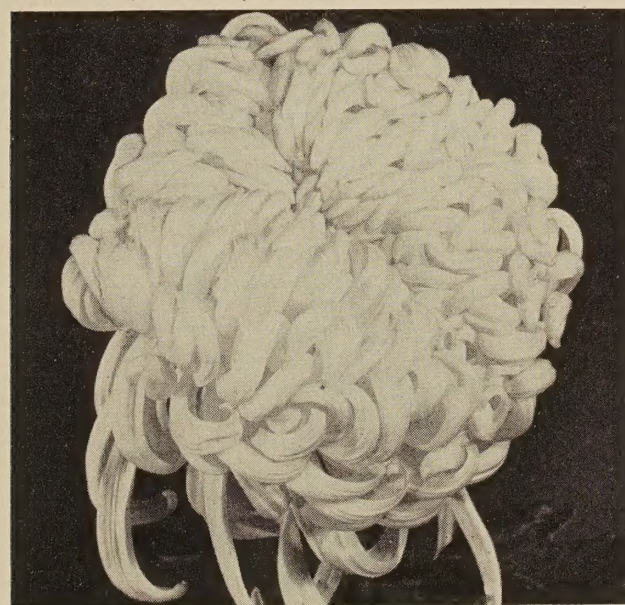

ZAMA NO MORI (No. 859). The color is unique as it contains variable shades of red, coppery and golden tones but predominantly on the coppery side. It is exceedingly full centered and long lasting. October 25. Price: \$1.00 each, 3 for \$2.75.

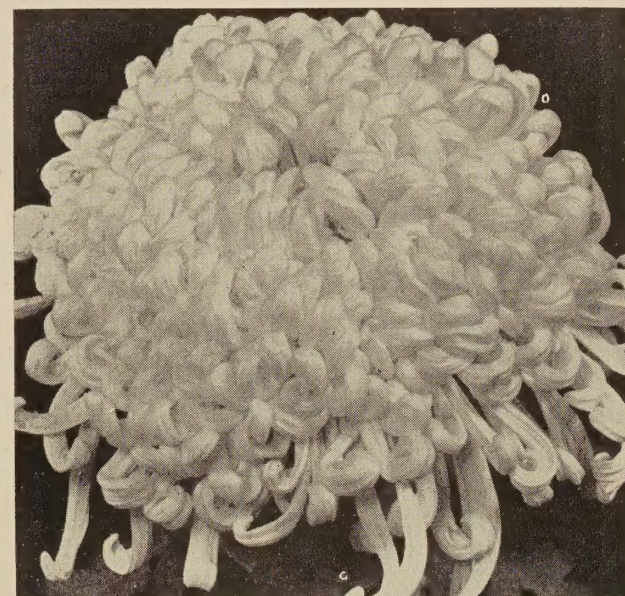

SHINEN NO AKI (No. 847). A bright yellow incurving flower which is fully centered. Solid construction of petals making this flower extremely long lasting. October 25. Price: \$1.00 each, 3 for \$2.75.

SEIKO GIANT (No. 846). As the name suggests, our specimens during the annual exhibition measured well over 12 inches in diameter. Color is a brightest shade of rosy pink inside with lighter color on the reverse side of the petal. November 1. Price: \$1.00 each, 3 for \$2.75.

YELLOW SUPREME (No. 858). A stunning variety at an exhibition because the color is a clearest soft yellow throughout which is mounted on a vigorously grown dark green foliage. The contrast is so beautiful that the viewer is left spellbound. October 15. Price: \$1.00 each, 3 for \$2.75.

MT. RAINIER (No. 840). Purest white. Incurving large flower with layer of outer petals stretching outwardly. The foliage is extremely healthy and extra large. November 1. Price: \$1.00 each, 3 for \$2.75.

POLARIS (No. 843). It is so named because the expression, "its beauty is simply out of this world", best applies to this beautiful flower. Color is decidedly an unusual shade of metallic green during the bud stage, gradually changing to a beautiful coppery bronze at maturity while retaining a sheen of light green overcast. October 15. Price: \$2.00 each, 3 for \$5.00.

SUNNYSLOPE GLORY (No. 849). This new introduction has completely obliterated the existence of our old and noted variety, "Ito Pink". It is more perfectly formed than the latter, and the color is in keeping with the illustration. October 25. Price: \$2.00, 3 for \$5.00.

TSUYA (No. 856). A lively rose pink. Flower is of solid substance and long lasting. Rigid stems and a good grower of quality flowers. October 20. Price: \$1.50 each, 3 for \$4.

KOONAN (No. 837). A most perfectly formed exhibition flower of our experience to date. Color is a beautiful shade of coppery bronze with inner side of bright red which is seldom exposed because of its flawless globular form. October 20. Price: \$2.00 each, 3 for \$5.00.

RAJAH (No. 510). A large crimson exhibition. A British import surpassing all domestic reds in the exhibition class. October 30. Price: 75 cents each, 3 for \$2.00.

Exotic Spider and Threadlike Varieties

Varieties listed in this group, which are sometimes referred to as "Fuji" Mums, have quilled petals of varying sizes, some of which are long and cord-like, while a great majority have opening of spoon shape at the tip, either fishhooked or plain.

These petals either spring out horizontally or droop. Many of these flowers may be eccentric in form, but they are all very graceful. Descriptions were taken from flowers which were disbudded to one bloom per stem with four to six flowers to a plant.

GEORGINA HEDINGER (No. 288). This extremely full-centered flower in pink ranks first among the early flowering spiders. Grows to medium height. Matures around October 5. Price: 30 cents each, 3 for 85 cents.

WAIKIKI (No. 441). Breath-taking blend of orange, bronze bronze and yellow shades. Tall. November 1. Price: 30 cents each, 3 for 85 cents.

LORRAINE (No. 328). Undoubtedly the most satisfactory true spider in clearest yellow. November 1. Price: 30 cents each, 3 for 85 cents.

CHERIE (No. 254). A most beautiful shade of soft orchid pink with slender petals hooked at the tip. October 30. Price: 30 cents each, 3 for 85 cents.

CANDY BRONZE (No. 246). Most entrancing double spoon flower reaching maturity about October 15. Bright golden bronze tubulated part plus the rich Indian red color at the spoon opening. Price: 30 cents each, 3 for 85 cents.

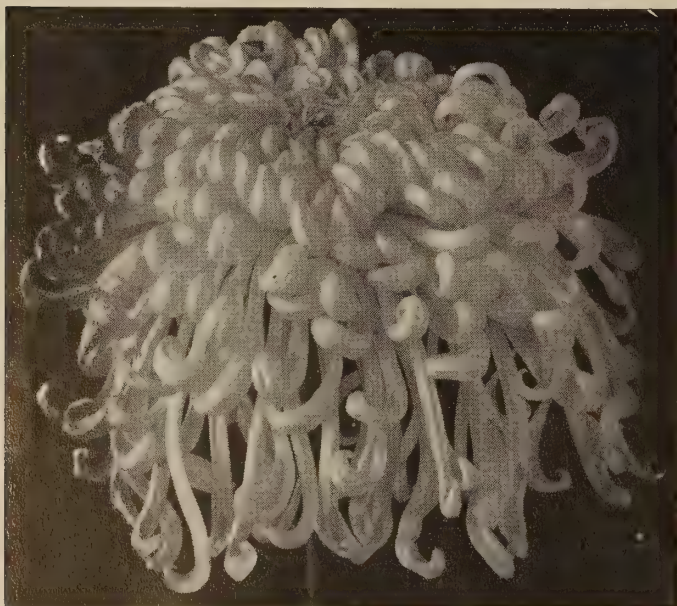

ANNE (No. 222). Truly magnificent purest white spider of the large tubular class. October 1-5. Price: 30 cents each, 3 for 85 cents.

PINK EXQUISITE (No. 383). A suitable name for the flower which is the most exquisite shade of pink. The reflexed petals radiate from the center which is a unique swirl. November 1. Price: 30 cents each, 3 for 85 cents.

CATHAY (No. 249). The quilled petals of this charming flower are a most beautiful shade of old copper with spoon tips of brilliant red. November 1. Price: 30 cents each, 3 for 85 cents.

←
GOLDEN TORCH (No. 295). Stately lemon yellow exhibition type developing into a tremendously large incurving flower from what it appears to be a spidery formation. A vigorously healthy grower. October 10. Price: 50 cents each, 3 for \$1.35.

Please write the correct catalog number as well as the name of each variety you are ordering.

TOP FLIGHT (No. 428). Truly tops in the spidery class. Pure white broad tubular petals open into a huge spider with petals drooping gracefully from a central cluster. Tubes in center have hooks while the outer petals point straight out. October 20. Price: \$1.00 each, 3 for \$2.75.

DUCHESS (No. 267). Gorgeously beautiful orchid pink throughout. Magnificent flower with splendid foliage and stems. October 15. Price: 30 cents each, 3 for 85 cents.

LA BELLE (No. 321). Unique and exquisite is characteristic of well formed spiders. This very creditable variety represents an ideal formation in this class. Purest white. October 15. Price 50 cents each, 3 for \$1.35.

PEGGY ANN HOOVER (No. 381). Light pink with straight medium tubulated petals. October 20. Price: 30 cents, 3 for 85 cents.

SERENE (No. 405). An exquisite shade of coppery bronze quilled petals with an opening of stunning Indian red at the hooked tips. Excellent foliage and stem. October 25. See illustration of "Lavender Dream" for shape of flower. Price: 30 cents each, 3 for 85 cents.

SWINGTIME (No. 423). Peerless white among the exhibition spiders. Long bold petals droop gracefully on a most luxuriously formed plant we have experienced growing. (See illustration of Waltztime for flower type.) October 30. Price: 30 cents each, 3 for 85 cents.

Other Recommended Spider Varieties

ALBERT WITT (No. 218). A very clear yellow sport of "Bess Witt." Identical in all respects to its parent plant except color. October 10. Price: 30 cents each, 3 for 85 cents.

BERTHA OLIVER (No. 236). The large quilled petals of this flower are deep orchid pink. The fishhook tips of each petal open widely, displaying a much deeper pink within. October 15. Price: 30 cents each, 3 for 85 cents.

BESS WITT (No. 238). A pleasing combination of apricot bronze and salmon pink. Quilled petals open at the tip in spoon shape, expanding outward instead of drooping. October 10. Price: 30 cents each, 3 for 85 cents.

CHOPSTICK (No. 255). The broad spoon tips of this full centered quilled type flower are rich henna-red and the tubulated portion is golden bronze. October 25. Price: 30 cents each, 3 for 85 cents.

FRONTIER (No. 284). Medium size tube old gold bronze spider which measures 8 to 9 inches across. Petals radiate straight out instead of drooping. Inside of the fishhook tip petals is red. Attracted much attention during the first part of our show around October 5. Price: 75 cents each, 3 for \$2.00.

JEAN SQUIRE (No. 309). Long tubulated spoon-tipped petals of this flower stretch out horizontally from a central yellow button. Lovely shade of rose pink throughout. Dark green foliage and exceptionally strong stem makes this a fine cut flower variety. November 1. Price: 30 cents each, 3 for 85 cents.

MARSHA (No. 336). Unrivaled in popularity. Purest white. Distinctive and graceful beyond words. November 1. Price: 30 cents each, 3 for 85 cents.

NEW BUTTON SIZE JAPANESE IMPORTS

Suitable for Cascades and Rock Gardens

Through personal selection while attending 12 major Japanese Chrysanthemum Exhibitions last season, we are introducing these outstanding cascade varieties. Some are especially suitable for border or rock garden materials. All are exceptionally floriferous. Low Growers are so indicated.

SOZETSU (No. 711). An anemone type flower with yellow cushion center and double layer of dainty orchid petals. Flowers measure ¾ to 1 inch in diameter. When the flowers are just opening the tufted center has a maroon overcast giving the flower that exotic look. Low grower. October 25. Price: 50 cents each, 3 for \$1.35.

KYO NO HARU (No. 712). A tiny lavender pink anemone type flower with the tufted cushion also pink when mature. Truly a magnificent delicate variety. Low Grower. October 25. Price: 50 cents each, 3 for \$1.35.

KONJO NO YUKI (No. 713). A pure white decorative type flower 1 to 1½ inches in diameter. Snow white clusters on branches with luxurious foliage. October 20. Price: 50 cents each, 3 for \$1.35.

KYO NINGYO (No. 714). A magenta purple single type flower with yellow center. Flower is about 1½ inches across. October 20. Price: 50 cents each, 3 for \$1.35.

CHAJIN (No. 716). Old gold anemone type flower with the same old gold cushion center. Gold florets with touch of red neatly surround the disc. October 20. Price: 50 cents each, 3 for \$1.35.

FURUSATO (No. 717). Bronzy red florets surround a huge protruding old gold cushion. An odd looking flower but beautiful. October 25. Price: 50 cents each, 3 for \$1.35.

GYOKUHAI (No. 718). Clear yellow anemone flower almost 2 inches across. The cushion center is a darker shade of yellow. October 25. Price: 50 cents each, 3 for \$1.35.

CHIKUSHI (No. 719). A ¾ inch flower of magenta purple with yellow cushion center. There is a white circle around the cushion which gives the flower a very striking effect. October 20-25. Price: 50 cents each, 3 for \$1.35.

KOIGOMORO (No. 720). Rosy red flower with bronze cushion center and about 1 inch across. As the flower matures the petals of the cushion open to a maroon shade. A beautiful variety. October 20-25. Price: 50 cents each, 3 for \$1.35.

HOZAN (No. 721). Low compact grower. Tiny ½ to ¾ inch yellow anemone type flower with yellow cushion center. October 10. Price: 50 cents each, 3 for \$1.35.

RED GEM (No. 722). A ruby red flower with protruding yellow center. Flower is about 1 inch across. October 25. Price: 50 cents each, 3 for \$1.35.

Greetings and Acknowledgement

This is our twenty-fifth year in business. It has been a pleasure and privilege to serve you these many years. Tremendous progress has been made towards improvement of chrysanthemum varieties during the past quarter of a century. We wish to acknowledge with deep appreciation for the services and facilities extended to us by the staffs of Hirakata Park, Osaka, Japan, to furnish us with best Japanese introductions. It is at this 40-acre Park that the Annual National Concours are held under the sponsorship of Chrysanthemum Art Society of Japan. We shall continue to serve you with the best in Exhibition Chrysanthemums.

Price: 35 cents each, 3 for \$1.00.

Dozen rate, \$3.50 (one name)

WHITE AND VARIEGATED

WHITE SIM. White sport of William Sim, a noted commercial cut flower variety. Flower is large and fully double.

GAYETY. White background overlaid with streaks of red. An outstanding novelty of the Sim family of Carnations. Very festive.

PEPPERMINT. White ground with red stripes. Very popular. Dainty in appearance. (Illustrated).

CRIMSON, RED, AND VARIEGATED

CONGO. An excellent dark red. Large flowers. Good growth and production. Price: 50 cents each, 3 for \$1.35.

CRIMSON KING. An outstanding dark red. Rich maroon crimson with slight orchid edges at times. Flower is full centered with stiff stem and fine calyx.

BLAZE. Scarlet red. Fully double large flowers with long stems and firm calyces. (Illustrated).

HOLLYWOOD SIM. Salmon cerise with underside of petals a shade lighter. Frilled white edges. Flowers large and full with strong stems.

LA FIESTA. As the name denotes, a very festive flower. Dull rose red background with splashes and specks of maroon throughout. (Illustrated).

FOR ALL YEAR AROUND CUT BOUQUET FLOWERS, NOTHING SURPASSES THE COLORFUL GIANT EVERLASTING CARNATIONS.

PINK, ROSE, AND VARIEGATED

- CANUP'S PRIDE.** Outstanding giant flower in a dazzling rose pink. Healthy growing habit.
- CALYPSO SIM.** Beautiful shrimp pink. Sport of Wm. Sim.
- CHINOOK SIM.** Frosted effect. Light cerise blotches over white ground. Has white edgings.
- STRAWBERRY SIMS.** An over-all narrow red penciling diffused on a pink background.
- SAN LUIS OBISPO.** A beautiful warm shade of salmon pink. Superbly fragrant.
- PINK SIMS.** Unparalleled light pink variety. Long stems, strong calyx and fully double. (Illustrated).
- SHOCKING PINK SIM.** Brilliant dark salmon, almost coral. Sport of Sim. Fully double center.
- ELEANOR.** A medium pink large flower. Sound calyx and producer of high quality flowers throughout the entire year.
- ELISA.** A rosy cerise color flower with deeper maroon rose markings as though brushed on the flower. Color is outstanding.
- BETSY.** Faint pink ground with variegation of a beautiful maroon color. Productive variety of medium size flowers and sound calyces.
- LAVENDER ROSE.** Beautiful clear lavender pink throughout. Excellent grower.

PURPLE, LAVENDER, AND VARIEGATED

- PURPLE LITTLEFIELD.** Another new Littlefield Sport. Deep Royal Purple. Outstanding because of its stiff stem and large flower.

LAVENDER VARIEGATED LITTLEFIELD. Markings same as the Peppermint Stick. Color light lavender with purple stripes.

PRIDE OF WOBURN. One of the most popular variegated variety we have ever carried. Bright fuschia with orchid edging. Producer of quality flowers. (Illustrated).

CECILE MAY. Most outstanding novelty we have introduced to date. Very faint pink with deep maroon purple edging. (Illustrated).

YELLOW, ORANGE, AND VARIEGATED

MILLER'S YELLOW. Unrivaled yellow. Strong stem and sound calyx are notable assets of this variety.

BARBARA BRIGHAM. Pink stripes on a delicate orange background. Large full flowers.

GOLETA. A warm bronze orange background with red edging and penciling. Excellent flower.
